## **My College Education Matters!**

**Please sign the Maintenance of Effort bill (S.281-A/A.5370-A).**

Governor,

Please sign the MOE bill to ensure that my tuition dollars enhance the quality of my education and are not used to pay the day-to-day mandatory and inflationary costs of my campus. Those costs are the state's responsibility.

Sign the MOE bill to strengthen CUNY's and SUNY's role in providing a great college education to New York State students.

Do what's right for students like me.

Thank you.
